

ALLYSHIP, RECOGNITION, & MANAGEMENT OF MICRO-AGGRESSIONS

Microaggressions at the workplace create a toxic environment. Periodic Bias Assessments can keep a check on Micro-Aggressions.

[Join us](#) to explore, recognize and manage micro-aggressions to remove toxicity from the workplace.

Monday Jan 18th @ 10 am -10:30 am ET

About Us: We are Habitat for Leadership; Coaches and trainers who believe in thriving at work. We bring training modules to the corporate world, training on DEI, training on Leadership Competencies like Decision Making, Giving and Receiving feedback from your direct reports.
